Supplemental Type Certificate

Number SA2289NM-D

This Certificate issued to Hollingsead International
2226 Goodyear Avenue
Ventura, CA 93003

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 4b of the Civil Air Regulations. (Effective December 31, 1953)

Original Product Type Certificate Number A5EU

Make : British Aerospace Corporation

Model : 1-11

Description of Type Design Change: Installation of dual Universal Navigation System UNS-1 Flight Management System in accordance with Tracor Aviation Index List No. IL-212-001, Revision E dated June 12, 1984 or later FAA sealed revision. FAA approved Tracor Aviation Airplane Flight Manual Supplement required for this installation is listed on the FAA sealed Tracor Aviation Index List.

Limitations and Conditions: The approval of this change in type design applies basically to the above listed BAC1-11 Model only. This should not be extended to other aircraft of this model on which other previously approved modifications are incorporated unless it is determined by the installer that the interrelationship between this change and any of those previously approved modifications will introduce no adverse effect upon the airworthiness of that aircraft. If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission.

This certificate and the supporting data, which is the basis for approval, shall remain in effect until surrendered, suspended, revoked or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.
